Here are some of the fact sheets on reg review, transparency(fish bowl), and sustainability. As a bonus, I've added updates to the TPs on employment analysis and cumm. impacts.

I may rejigger the fishbowl memo on Monday once I've had a chance to chat with Laura V about it.

Happy to discuss.
Alex

Subject: Preparation for the Administrator's upcoming June 28 before HSST.

Colleagues:

Following please find a list of broad ranging issues that have been identified by OCIR as those that the Administrator may encounter questions during the hearing. She will be testifying before the House Science, Space, and Technology Committee on June 28 and you are being asked to provide Qs&As to facilitate OCIR's preparation for this hearing.

Below you will find each topic with the lead office with responsibility for developing the Q&A listed beside it. Each response should contain no more than five sentences to address the relevant question being raised. Unless otherwise noted or contacted independently, please have your submissions to me no later than Wednesday, June 20 at NOON.

Please contact me ASAP with any questions or concerns.
